

# Sponsor Application

The Barrel Racing Association of Texas was formed in April of 2001 by a group of local barrel racers who wanted to have a barrel racing association with qualities that would attract a wholesome, family atmosphere. BRAT's first year started with approximately 35 members and we have grown to 226 members in our current season. BRAT has a captive audience and not only includes our membership but the hundreds of nonmember barrel racers that routinely attend our events. Spectators, barrel racers and their families are a captive audience at our races with your advertising right in front of them. Our season consists of 12 point races and 2-4 additional money making races to benefit year end awards. **We strive to not have repeat business types in order to give your business the best advertising to our members and participants.** Thank you so much for considering becoming one of our wonderful sponsors.

**We could not do it without sponsors like you!**
